

Message from Ms Iwanicki

Dear Parents and Carers,

This week the Year 1 children have been working with Mrs Wickham on their phonics assessment. The children did amazingly well and were able to decode their words with great success. Phonics are the building blocks for reading and you can find helpful resources at the Letters and Sounds website: <http://www.letters-and-sounds.com/>

On Monday, Winter class were visited by two instrumentalists from the Worshipful Company of Musicians, Ben Hulme who plays the French horn and Tom Freeman-Attwood who plays trumpet. It's wonderful to have workshops with professional musicians and we look forward to planning more in the autumn term.

On Thursday, Autumn class performed their class assembly and taught us all about life in the stone age. The children showed us their persuasive adverts for stone age tools and shared some beautiful cave paintings. Thank you to the teachers and children for their wonderfully confident performance.

It has also been brought to our attention that one of the round bollards outside the church is loose. Could we kindly ask that children do not climb on them.

Finally, today we held our non-uniform 'Bring a Bottle' day, thank you for all your kind donations for the summer fair which is on Saturday 22nd June. Fingers crossed for a dry, sunny day!

Wishing you all a restful weekend,

Jo Iwanicki
Head of School

Proverbs 17:17 A friend loves at all times, and a brother is born for a time of adversity.

Spring Class

This week in Spring Class we practised our one more and one less at the maths table using playdough. Demonstrating our speaking and listening skills, we read out our own reading books and retold our own stories when we were sat on the carpet. We have also been using the Netbooks, iPads and Beebots on our ICT table.

Summer Class

This week in Spanish, we have been learning about numbers. We got to play fun number games with Mrs Predko. In Mathematics we have been learning about 3D shapes. We made our own play dough and then we used it to make our own 3D shapes. In English we wrote a letter to the wicked witch to try and persuade her to let Hansel and Gretel go. In topic, we have been learning about the Tudor Era and have been using the iPads to research all about it. We have been taking notes on the information we found.

Autumn Class

This week has been busy with assembly practice and with writing too. We have been learning about newspaper reports in preparation to write our own report on the Bronze age. We also learnt about play scripts and have been reading *Esio Trot* by Roald Dahl. We had our Stone Age assembly yesterday and everyone performed brilliantly. I'm sure we will all have the stone age song stuck in our head for weeks to come!

Winter Class

We have had another jam-packed week! On Monday, we were visited by some musicians, who told us all about their brass instruments. The children were really sensible and asked some great questions. In every moment since then we have been cramming in rehearsals or prop and costume making! The children have done really well at adjusting to our suddenly slightly manic routine and have even managed to design some beautiful covers for the programs.

Golden Book

Spring Class

Vanesa for always being a kind friend to others.

Zachary for showing a can-do attitude when tidying up the classroom

Summer Class

Haruna for your excellent effort when learning Spanish.

Zoey for your positive attitude when taking on feedback in writing.

Autumn Class

Jessy for an enthusiastic and brilliant assembly performance.

Jed for his entertaining play script adaptation of *Esio Trot*.

Winter Class

Hiba for super acting and adding fantastic detail to our costumes.

Edward for pushing himself outside of his comfort zone when acting.

Maths Monkey!

Spring Class Olivia for having a really good go at subtraction number sentences.

Summer Class Anthony for your wonderful effort when constructing 3D shapes.

Autumn Class Lucas J for explaining how to use formal methods of multiplication so clearly.

Winter Class Nasser for a fantastic assessment.

Dates for Diary – 2018-2019 term dates are on the school website. Additions are in blue; Changes are in red.

20 th June	- Winter Class end of Year Production time 6:30
22 nd June	- Summer Fair 12:00-4:00
24 th – 28 th June	- Scholastic Book Fair
27 th June	- Spring Class Assembly
1 st July	- PFA KS1 Disco 3:30-5:00
2 nd July	- PFA KS2 Disco 3:30-5:00
3 rd July	- Parent coffee morning 9am church hall
4 th July	- Spring class trip to Camden Learning Centre

SLS Travel Survey

As part of the Camden STARS scheme (Safer Transport to Schools) we are currently developing a School Travel Plan for St Luke's CE School. Our first task is to accurately find out how our families currently travel to school and what would be their preferred means of travel. Please could **parents** fill out the Travel Survey handed out this week and post it in the box outside the School Office by Wednesday 19th June. Thank you!
