

Message from Ms Iwanicki

Dear Parents and Carers,

I'd like to start this week's newsletter with an enormous thank you to all the members of the PFA who helped to organise this year's summer fair. It really was an amazing day and the children had a wonderful time. This year's grand total, including sponsorship from Benham and Reeves, was an incredible £2600. Please take a look at the photos at the end of this weeks newsletter.

On Wednesday the joint school choir with St Margaret's sang at Spring Grove, a care home for the elderly. As well as singing beautifully, it was great to see the children introducing themselves to the residents and asking them questions. Thank you to Miss Adkins for accompanying them on their visit.

Also this week the PFA have been busy running the Scholastic Book Fair after school. Thank you to everyone who bought books at the fair as each purchase helps to raise funds for the school to spend on books for our library.

Finally, it is with sadness that I announce Ms Burr will be leaving at the end of term. She has worked at St Luke's since moving to London from South Africa in 2017, but I'm sure you will join me in wishing her the very best of luck in her new role. However, we are also very pleased to announce that Mr Christian Dixon will be joining us in September as the new Y3/4 class teacher and he has already spent time at school getting to know the children. Mr Dixon will be visiting St Luke's again on the 12th July when you can meet him and welcome him to our school.

Wishing you all a restful weekend,
Jo Iwanicki
Head of School

Proverbs 17:17 A friend loves at all times, and a brother is born for a time of adversity.

Spring Class

This week in Spring class we painted our clay fossils. We took our time to think about how a fossil would look and then selected those colours. In maths we have been focusing on teen numbers and subtracting using a number line to help us. We did a fantastic job in our assembly. We remembered lots of lines and spoke confidently. Well done Spring Class!

Summer Class

This week in Summer Class we drew the London Eye and painted it with watercolours. In Maths, we have been learning to partition numbers, to help us add 2-digit numbers together. In English, we have been finishing our stories about the girl who discovered a magical launderette. We have been focusing on using descriptive language to describe the setting and how the character was feeling. In PHSE, we have been learning about how to keep our bodies healthy by getting enough sleep and having a balanced diet.

Autumn Class

This week we had lots of fun performing part of the play script of *The Witches* by Roald Dahl. We are writing newspaper reports about the discovery of bronze during the Bronze Age. We created beautiful Stone Henge art work. Please come and take a look at the lovely display outside our classroom. Some of the children have begun to present their Stone Age projects. We are loving the evident effort that was put into the projects!

Winter Class

After such a busy few weeks, Winter class have done really well at settling back into a normal routine.

This week we have returned to our topic of 'Evolution' in Science and have designed our own animal which will thrive in a randomly selected environment, based on our knowledge of adaptations. We have also researched Darwin, Anning and Wallace. In our Viking topic, we have been learning why the Viking invasions were so successful. Meanwhile in Maths, we have been up to a lot of problem solving, including domino number puzzles, card number games and logic puzzles.

Golden Book

Spring Class

Alexander- for giving some very challenging subtractions a good go!

Hannah- for working hard on making sure her letters are the correct way around.

Summer Class

Elle Jay- For her creative perspective when painting the sunset behind the London Eye.

Abby- For your positive attitude when taking on feedback.

Autumn Class

Aaron- For all the brilliant effort he put in for his Stone Age stop-motion video.

Faye- For sharing lovely gratitude with the class.

Winter Class

Freddie- for excellent contributions in English.

Bardia- for a wonderful first week back!

Maths Monkey!

Spring Class Billie- for not giving up when using a new method to add two numbers together.

Summer Class Zeinab- For your excellent knowledge on partitioning numbers.

Autumn Class Ethan- For enthusiasm and determination when doing division with chunking.

Winter Class Amber- for excellent solving of logic puzzles.

Dates for Diary – 2018-2019 term dates are on the school website. Additions are in blue; Changes are in red.

1 st July	- PFA KS1 Disco 3:30-5:00
2 nd July	- PFA KS2 Disco 3:30-5:00
3 rd July	- Parent coffee morning 9am church hall
4 th July	- Spring Class trip to Camden Learning Centre
5 th July	- Autumn Class football match at Hawley Primary School
8 th July	- Winter Class trip to Camden Learning Centre
9 th July	- Autumn Class trip to Camden Learning Centre
