## Message from Ms Iwanicki

Dear Parents and Carers,

This week we have seen blazing sunshine and temperatures up to 28° right through to torrential downpours. It is with this in mind that I encourage everyone to dress for all weathers ready for our Sports Day on Monday. We will of course do our very best to ensure Sports Day goes ahead, but this will be weather dependent. Please ensure your child wears a raincoat that day as we will go ahead if there are light showers. If we have to cancel, we will set up our activities in school and ensure the children still have an exciting day. Please keep a look out for emails on the day for any changes to pick up arrangements.

Next week the children will be taking part in Art and Design week in school. We have set the children the challenge of designing and building a bridge, using nothing but paper straws. They will also be using their painting skills to help create a whole school piece of art.

Due to government's recent announcement of continued COVID restrictions, we are still under strict regulations in school. As there has been a rise in cases we would encourage all parents to continue testing regularly, and further free lateral flow tests can be ordered from <https://www.gov.uk/order-coronavirus-rapid-lateral-flow-tests>

Finally, I would like to thank our wonderful PFA members for their hard work in organising house colour kits in such a very short amount of time. Please ensure all payments are made to the PFA today.

Wishing you all a restful weekend,

Jo Iwanicki  
Head of School

*1 Corinthians 13:4-5 Love is patient, love is kind. It does not envy, it does not boast, it is not proud. It does not dishonour others, it is not self-seeking, it is not easily angered, it keeps no record of wrong*

### Spring Class

This week in spring class the children have been learning about people who help us in school. They interviewed Ms Iwanicki, Mrs Wickham, Miss Atkey and Mr Dicker to see what jobs they do and how they help us. The children also have been fascinated with our new class caterpillars and have been writing observations of their changes. We hope they will transform into butterflies next week.

### Summer Class

This week in English we have been learning how to write letters. We received a letter from the dog in the story 'Dear Zoo'. In Mathematics, we have been practising reading the time. In Science, we made a prediction about what might happen to a slice of bread that we all touched compared to the piece that was not touched. In PSHE we explored what it means to feel lonely and how we can make changes to help us stop feeling lonely.

## Autumn Class

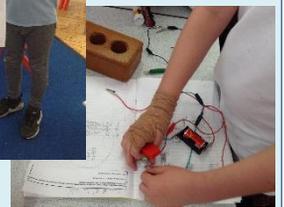

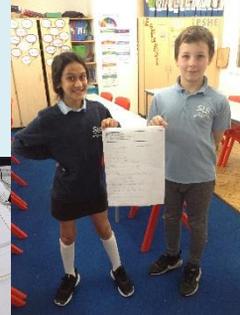

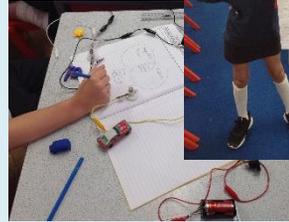

This week in Autumn Class, we enjoyed composing disco music on the glockenspiels. In Maths, we have been learning about area and perimeter and in English we have been planning and writing play scripts. In PSHE we considered what kinds of skillsets we would need for our dream job and in Spanish we learnt how to describe where we live.

## Winter Class

This week we have been busy rehearsing our production, and practising the songs. In English, we have been writing our reports about unusual animals and have been writing reverse poems. In maths, we have practised our protractor skills and taken part in a challenging NRICH activity. For science, we have been sorting everyday materials by their properties.

# Golden Book

### Spring Class

**Jahan** for his excellent improvement with counting.

**Zayn** for experimenting with paints to create a beautiful butterfly.

### Summer Class

**Leena** for her lovely letter which was set out beautifully.

**Lujain** for her excellent work in reading comprehension this week.

### Autumn Class

**Yara** for her excellent work on area and perimeter.

**Claudia** for her creative ideas used in her play script.

### Winter Class

**Shylah** for using scientific language when explaining the uses of everyday materials.

**Rume** for his determination when solving a tricky NRICH activity.

## Dates for Diary 2021

Term dates are on the school website. Additions are in **blue**; Changes are in **red**.

21 <sup>st</sup> June	Sports Day at Parliament Hill Fields
21 <sup>st</sup> – 25 <sup>th</sup> June	Art Week
1 <sup>st</sup> July	Whole class photos
5 <sup>th</sup> – 9 <sup>th</sup> July	Science Week
8 <sup>th</sup> – 9 <sup>th</sup> July	Year 6 Production TBC
21 <sup>st</sup> July	Last day of summer term. 1.30pm finish.

 **Happy Birthday!** 

Zara      Spring Class  
Zain      Summer Class  
Beck      Autumn Class
