

Message from Ms Iwanicki

Dear Parents and Carers,

Its been a very exciting week here at St Luke's. On Monday and Tuesday the PFA organised a KS1 and KS2 School Disco. The children had lots of fun and had some fantastic dance moves, sadly my sore ankle prevented me from joining in. Thank you to all the parent helpers who came along to chaperone the children.

On Wednesday we were visited by the Evergreens group from St Luke's Church, who joined us for afternoon tea. Each class made a dish and then our school council members served tea and entertained our guests. It was a fantastic afternoon and our school councillors were perfect hosts.

Next Wednesday we will be holding our annual Sports Day at Parliament Hill running track. Please make sure you have returned your permission slip to the office and made arrangements for collecting your children on that day. I look forward to seeing you all there from 12.15pm onwards. Please note there are no after-school clubs on that day.

Wishing you all a restful weekend,

Jo Iwanicki
Head of School

Proverbs 17:17 A friend loves at all times, and a brother is born for a time of adversity.

Spring Class

This week in Spring class we have been learning about superheroes. We read the book Superworm and loved joining in with the rhyming words. As part of our ICT curriculum, we visited the Camden Learning Centre. We played lots of fun games on the iPads and computers. We also enjoyed coding using Beebots and remote controlled dinosaurs!

Summer Class

This week in Summer Class we have been learning about sharks and writing information reports about them. In Mathematics, we have been practising the skill of adding money together. In PSHE we have been learning about hygiene and how to keep our bodies healthy, as well as what it means to be a good friend. We acted out scenes of what it looks like to be a good friend.

Autumn Class

We put on our baker hats this week and got busy making cheese scones for the Evergreen tea. The scones were delicious and we were lucky to have our own taste of them too! We are on the final stretch of learning about prehistoric Britain, and are currently fascinated by the Iron Age. In English we are learning about shape poems and designed our own calligrams this week. In Science, we created dramas of everything we have learnt this term, including flowers, wind dispersal, fruit and bees.

Winter Class

It's been another jam-packed week in Winter class. The children have continued with some excellent investigations in maths, showing they can work systematically and using number knowledge to solve a variety of puzzles.

For our guests from the Evergreens, we made beautiful fruit tarts, complete with hand-whipped cream (an impressive feat with only forks!) and took the opportunity to branch out from our current science topic to look at what a healthy balanced meal looks like. From this, the children designed their own healthy meal.

Golden Book

Spring Class

Keren - for helping other children on the computers on our school trip.

Iliana- for writing lots of tricky words independently.

Summer Class

Claudia- for a great start on your information report about sharks.

Olivia- for including fantastic information in your report about sharks.

Autumn Class

Tommy- For offering to help and clean up even when it isn't his mess.

Ervis- For the effort he put into his Iron Age fact sheet.

Winter Class

Nasser- for a beautiful setting description.

Jasmine- for helping everyone with baking and taking photos as well!

Maths Monkey!

Spring Class Vanesa- for your enthusiastic attitude on our 3D shape hunt.

Summer Class Michael- For your confidence when adding a range of coins together.

Autumn Class Grace- For more focus and reflecting on her learning.

Winter Class Zane- For working so hard in maths investigations.

Dates for Diary – 2018-2019 term dates are on the school website. Additions are in blue; Changes are in red.

5th July

- Autumn Class football match at Hawley Primary School

8th July

- Winter Class trip to Camden Learning Centre

9th July

- Autumn Class trip to Camden Learning Centre

10th July

- Sports Day at Parliament Hill Fields (PM) No after-school clubs

11th July

- Autumn Class How plants grow workshop

16th July

- Leavers' Service 2.30pm

17th July

- Parent Open Evening

19th July

- Last day of term. Pupils finish 1.30pm

Turn your unloved clothes and shoes into cash for our school!

A big thank you to all the families that have already generously donated to the 'Recycle with Michael' fundraiser. St Luke's is currently participating in this initiative run by The Salvation Army. The aim of this fundraiser is to divert thousands of tonnes of unwanted items away from landfill, while educating our children about the importance of reusing and recycling.

Not only does donating to this cause help people in need, it also allows our school to raise much needed funds. In return for our donations, The Salvation Army will donate money to our school in exchange for our donations.

The class that fills the most bags by Thursday will win a class party and the school that fills the most bags in the county will receive a special visit from Michael, the recycling mascot, to present a trophy and certificate. The last day to donate will be next **Thursday 11th July**. Please bring your donations to your child's classroom, so the class teacher can keep track of how many bags the class has filled. If you have any further questions, please come and see Miss Wright.
