

Message from Ms Iwanicki

Dear Parents and Carers,

It has been a great week here at St Luke's and I'm amazed at how much energy our teachers and children still have this close to the end of term! Today the children spent the morning in their new classrooms with their new class teacher. The teachers spent some time getting to know the children and answering any questions they might have about next year. We also had our new reception children visit us for part of the morning, thank you to Mrs Wickham for hosting the new parent's meeting in my absence. On Wednesday we celebrated our annual Sports Day at Parliament Hill Fields. The children had a fantastic time and showed incredible sporting attitudes by cheering on their team mates and giving each other lots of encouragement. Congratulations to all the children for taking part, but the winning house this year was Love! Thank you Ms Edlin for organising the whole event and to all the families that were able to join us on the day.

Today the children will be bringing home their end of year reports. Children in Year 1, Year 2 and Year 6 will also have the results of their phonics tests, end of KS1 results and end of KS2 results. We are exceptionally proud of all of the children as they have worked incredible hard this year and we are delighted with their results. More information will be published in next week's newsletter.

Next week we will be holding our parent's open evening on Wednesday from 3:45pm until 6:30pm. Teachers will be based in their current classrooms and will be available to talk about the curriculum and learning that has taken place this year. Parents will have an opportunity to express thanks to the current class teacher and meet your child's new class teacher for September.

Finally, I would like to invite you all to our Year 6 leavers Service at St Luke's Church at 2:30pm on Tuesday 16<sup>th</sup> July. I look forward to seeing you all there.

Jo Iwanicki  
Head of School

*Proverbs 17:17 A friend loves at all times, and a brother is born for a time of adversity.*

Spring Class

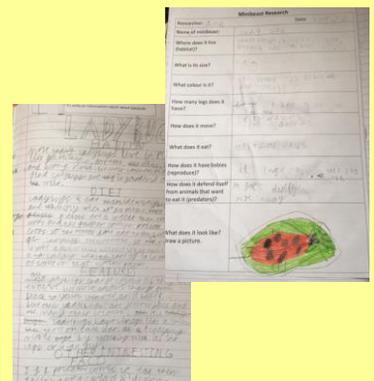

This week in Spring Class we have been enjoying the lovely sunny weather in our outdoor area. We built lots of sandcastles and compared their height and width. We also enjoyed playing in the water tray. As we have started learning about Superheroes, we continued making some wonderful books and used our phonics to help us sound out the words we wanted to write.

Summer Class

This week in Summer Class we have been learning about the minibeast 'ladybird'. We had to use the iPads to research information about ladybirds and take down our own notes. We then used our notes to help inform our information report. In Mathematics, we have been practising our subtraction skills to help us understand how change is calculated when we spent money.

## Autumn Class

This week we had the loveliest trip to King Henry's Walk Garden. The children went on a plant scavenger hunt, watered plants, learnt about greenhouses and got to plant their own peas! The garden was so beautiful and peaceful and we had such a great time. In class we have been data collecting to create pie charts and bar graphs in answer to our own queries. We have been learning about shape poetry and have had fun performing poems.

## Winter Class

On Monday we had our fantastic trip to the CLC. The children behaved brilliantly and had an excellent time programming EV3 robots using their coding skills. They worked so well together and had a lot of fun!

Year 5 and 6 also had a great time at sports day this week- many thanks to Miss Edlin! They set a great example, showed real sportsmanship, helped out with KS1 and handed out stickers. In maths this week, Winter class tried their hands at curve stitching- have a look at our wonderful results!

# Golden Book

## Spring Class

**Bobby-** for developing a growth mind-set especially in our phonics lessons.

**Joseph-** for your enthusiastic contributions when discussing superheroes.

## Summer Class

**Partow-** For your great information report about ladybirds.

**Abby-** For being a persistent learner and taking on feedback to improve your information report.

## Autumn Class

**Lucas J-** For being sensible and enthusiastically answering questions on the trip.

**Scarlett-** For noticeably trying to be a role model to her peer.

## Winter Class

**Gaia-** for an excellent attitude in Sports Day.

**Raynard-** for being a good friend outside.

## Maths Monkey!

**Spring Class- Lily-** for trying some tricky money number sentences on the learning board.

**Summer Class- Claudia** for your excellent work when subtracting two-digit numbers.

**Autumn Class- George** For more focus and determination in Maths this week.

**Winter Class- Joe** for excellent curve stitching and experimenting with patterns.

**Dates for Diary – 2018-2019 term dates are on the school website. Additions are in blue; Changes are in red.**

17<sup>th</sup> July

19<sup>th</sup> July

- Kesha, Police Officer coming in to chat to Reception, Year 1 & 2

- Leavers' Service 2.30pm

- Parent Open Evening from 3:45pm till 6:30

- Last day of term. Pupils finish 1.30pm

### Meet the governors – Tanya Berridge-Burley

As some of you may no doubt be aware, we are leaving London in August to embark on a new adventure up north (Wirral, Cheshire). We will be sad to leave SLS and all the friends we have made and it is with a heavy heart that I must therefore step down as parent governor, a role I have enjoyed doing for the past 7 years. I have joyfully watched as the school has grown from 2 classes to full capacity and have proudly seen our first group of Year 6's fly the nest to secondary school.

Being a governor is a big commitment, but I have found the role varied, interesting and extremely rewarding, knowing that I was contributing towards the development of the school and our children. So if anyone is interested in taking over, please feel free to ask me questions.

Finally, I would like to thank all of you for your support over the years and wish you every success for the future. We will miss you.
