

## Message from Ms Iwanicki

Dear Parents and Carers,

What a great last week we've had here at St Luke's. On Tuesday we held our Year 6 Leavers' Service at church. The children spoke eloquently about their memories of St Luke's as well as their hopes and dreams for the future. As sad as we are to see them go, it is an exciting step into the next chapter of their lives. The children have certainly proved to myself, and all the staff, that they are ready for secondary school and I'm sure they will continue to flourish in their new setting.

This week we must also say goodbye to Ms Burr. Ms Burr has worked at St Luke's since moving to London from South Africa in 2017. She has been an incredibly caring and dedicated member of the staff team and I'm sure you will join me in wishing her the very best of luck in her new role.

Last week parents received information regarding their child's results for EYFS, Y1 phonics tests and end of KS1 & KS2 assessments. We are exceptionally pleased with the progress and attainment of all of our children this year and I would like to share some of the headline data for how our school compares to other schools in the local authority and also nationally.

### Comparison of school, Camden and national data
