

Message from Ms Iwanicki

Dear Parents and Carers,

This week lots of classes have been visiting the Camden City Learning Centre. This amazing resource centre helps schools to deliver high quality computing lessons that combine computer science, online safety and a great deal of fun. Thank you to all the parent helpers that escorted the children on their trip.

On Wednesday we were joined in school by Paul Huang, a classical flautist, who performed a short concert for the school. Thank you to Alistair Tresidder for putting him in contact with the school.

Next week, the final works on the playground will begin. This means for the last few weeks of term the children will need to be collected from their classrooms at the end of the day, via the main front door. Again, thank you to everyone for their patience and understanding during the disruptions.

This week we sent out a letter from our Chair of Governors regarding the vacancy we have for a parent governor. If you are considering applying and have any questions about the role, please feel free to make an appointment through the office and I will do my best to answer any questions. Application forms can be found outside the school office.

Finally, I would like to remind everyone that our Christmas Fair will be held on Saturday 7th December from 12-4pm. Prizes for the bottle tombola and hampers can still be donated and collection boxes can be found in the KS2 corridor. I look forward to seeing many of you there next Saturday.

Wishing you all a restful weekend,

Jo Iwanicki
Head of School

Psalm 56:3-4 When I am afraid, I put my trust in you. In God, whose word I praise— in God, I trust and am not afraid. What can mere mortals do to me?

Spring Class

This week in Spring class we visited the moon! We read 'Whatever Next' and travelled with the main character, Baby Bear, in our very own space rockets. We made our own astronaut passports too! In mathematics we looked at 3D shapes and talked about their features.

Summer Class

This week in writing, we designed our own sea monster, labelled its features using adjectives and then wrote a description about its body and personality. In Mathematics, we have been looking at money, learning about why it's important to add and subtract money, as well as ordering it by value.

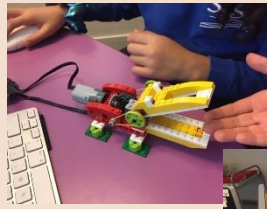

In topic, we have been learning about Florence Nightingale and Jennifer Worth and how they made a significant difference within the medical industry in the past. We also visited the CLC and learned how to use the Beebots and coding games.

Autumn Class

This week in Autumn class we visited Camden Learning Centre. We had a fantastic day, building and programming Lego robots which had sensors. In English, we have been learning how to extend our sentences using conjunctions and in Maths we have been mastering the column method for addition and subtraction and using this to solve worded problems.

Winter Class

This week in Winter class, we have worked hard in maths to solve different algebra questions. In topic, we experimented with tie dye, threading beads and fabric paint in preparation for upcycling our clothes next week. We also took a trip to the CLC to learn more about Movie Maker.

Golden Book

Spring Class

Rafay for settling into his new class so well.

Oriana for being a consistent role model for taking turns and sharing.

Summer Class

Georgina for your wonderful range of adjectives used to describe your sea monster.

Leander for your wonderful independent writing this week.

Autumn Class

Daniel for fantastic work extending sentences using conjunctions.

Zac for amazing coding skills when programming lego robots at Camden Learning Centre

Winter Class

Zoe for her improved attitude towards her learning.

Callum for his resilient attitude towards all his learning.

Maths Monkey!

Spring Class Felix for your enthusiasm when going on a 3D shape hunt around the classroom.

Summer Class Carter for your amazing independent work in mathematics, when finding the missing number.

Autumn Class Aideguesa for her confidence to use the column method to add and subtract

Winter Class Alex C for her hard work, working out algebraic problems.

Dates for Diary – 2019-2020 term dates are on the school website. Additions are in blue; Changes are in red.

December

- Wednesday 4th - Christingle celebration in school
- Thursday 5th - Autumn Class trip to British Museum
- Friday 6th - Christingle Service at Westminster Abbey
- Saturday 7th - St Luke's Christmas Fair 12-4pm
- Tuesday 10th and Wednesday 11th - Parent Consultation Evening
- Wednesday 11th – Nativity play 2.30pm
- Thursday 12th - Cinderella Pantomime at the Shaw Theatre
- Tuesday 17th - Whole School Carol Service
- Thursday 19th - Christmas lunch and Christmas jumper day
- Friday 20th - Last day of term. School closes at 1.30pm

January

- Tuesday 7th - First day of Spring Term

Church Festivities

St Luke's Church are putting on a bonfire, preceded by food, activities and a talk in the church on Sunday 1 December 5pm to herald in the Christmas season!
