

3rd April 2020

Message from Ms Iwanicki

Dear Parents and Carers,

Well done for working through your second week of home learning, I'm sure you're all ready for the Easter break. It has been very pleasing to see photographs of the children working at home, so please keep them coming in. We have set some homework for the Easter holidays, but I would encourage everyone to take some time out and have a well deserved rest.

These are unprecedented times that are affecting every single person around the world and it is good for us to have a sense of perspective and remember that we are all in this together. We shall continue to open the school after the holidays for our critical workers and our teachers will continue to set learning activities for your children to complete at home.

Please remember to be kind to yourselves and not to worry if things aren't perfect - we are not expecting them to be. You are all doing an amazing job, so please do not let a lack of resources or a limited focus from your children give you cause for concern. Fundamentally, you are supporting your child through the most challenging of times. It is therefore hugely important that you also look after yourselves and your own health and mental wellbeing. The following link is to some guidance on mental health and a new 'easy read guide' on looking after yourselves.

<https://www.gov.uk/government/publications/covid-19-guidance-for-the-public-on-mental-health-and-wellbeing>

Finally, thank you for all the kind messages you send in each week with your weekly schedules. Your kind words are what keep our staff members going during this challenging time.

Wishing you all a healthy and restful Easter break,

Jo Iwanicki

Head of School

2 Corinthians 6:4 *"Instead, in every way we demonstrate that we are God's servants by tremendous endurance in the midst of difficulties, hardships, and calamities;*

Home Learning

Thank you for all your wonderful work.

HAPPY EASTER
