

Message from Ms Iwanicki

Dear Parents and Carers,

Well, what a busy term we have had here at St Luke's. The children have settled back into school life amazingly well and we are all extremely proud of how hard they have worked this term. I would like to say an enormous thank you to all the staff here at St Luke's for their continued hard work and dedication to all the children here at school.

I would also like to say a thank you to all the children who took part in our Easter Bonnet competition in school today. It was an incredibly difficult job to choose the winners, but huge congratulations to:

Luciano	Reception	Arhan	Year 1
Delisa	Year 2	Aaron	Year 3
Olivia	Year 4	Aleya	Year 5
Harry	Year 6		

We hope you enjoy your Easter Eggs prizes, provided by our wonderful PFA.

We also held our Easter service in school today – thank you to Alistair for joining us via Zoom. You can watch a recording at:

<https://www.dropbox.com/s/0et5pnyajom31jp/Easter%20Service%202021.mp4?dl=0>

Today you should have received your lateral flow test kits in the children's bags. Please remember the test kits are for adults in the household to use as part of the Camden and Islington pilot scheme. Additional home test kits can still be picked up from Swiss Cottage Library, NW3 3HA; 33-35 Jamestown Road, NW1 7DB; Ramsay Hall, W1T 5HB and Kingsgate Community Centre, NW6 2JH.

Wishing you all a very happy Easter.

Jo Iwanicki

Head of School

Isaiah 41:10-13 So do not fear, for I am with you; do not be dismayed, for I am your God. I will strengthen you and help you; I will uphold you with my righteous right hand.

Dates for Diary 2021

Term dates are on the school website. Additions are in **blue**; Changes are in **red**.

1 st to 18 th April	Easter holiday
19 th April	First day of summer term
27 th and 28 th April	Parent Consultations
6 th May	Winter Class Assembly video
10 th May	RSE Meeting for Year 5 and 6 parents. Time TBC.
20 th May	Autumn Class Assembly video
1 st July	Whole class photos

Happy Birthday!

Claudia	Autumn Class
Georgina	Autumn Class
Michelle	Winter Class
Matian	Autumn Class
Shylah	Winter Class

Guidance for parents and carers of children attending out-of-school settings during the coronavirus (COVID-19) outbreak

Choosing after-school clubs and out-of-school activities for your child

You should send your child to the same settings consistently and limit the number of settings they attend as far as possible, and ideally ensure they attend only one out-of-school setting in addition to school.

You should use settings local to your home or child's school, such as settings within walking or cycling distance.

You should also keep a record of when your child attends a setting and where it is. This is to help NHS Test and Trace identify people who may have been in contact with your child if they test positive for coronavirus (COVID-19).

Check with the provider that they have put in place protective measures to reduce the risk of infection before you send your child to a particular setting. For more information on choosing a setting for your child, please read the guidance for parents and carers on safeguarding children in out-of-school settings.

Parent attendance at extra-curricular clubs, tuition and other out-of-school activities

Parents and carers should not be allowed into the setting unless it is essential. It is particularly important during the coronavirus (COVID-19) outbreak that you ensure the provider has your most up-to-date contact details in case of an emergency.

Live performances of children's dance, music and drama should not take place at this time. The intention is that these will be permitted from Step 3 of the Roadmap (no earlier than 17 May). This is subject to review and further guidance will be provided in advance of step 3.

Protective measures

The type of protective measures providers put in place will depend on their individual circumstances, such as:

- the type of the activity they offer - for example whether children will be moving around rather than sitting at desks
- the size and layout of their premises
- whether the activity is being held indoors or outdoors

The key measures that every setting should have in place are:

- minimising contact with individuals who are required to self-isolate by ensuring they do not attend the setting
- ensuring face coverings are used in recommended circumstances - read the section on face coverings for detail on the circumstances where this is recommended
- encouraging staff and children to clean their hands thoroughly and more often - soap or hand sanitiser should be readily available
- ensuring good respiratory hygiene for everyone by promoting the 'catch it, bin it, kill it' approach
- cleaning frequently touched surfaces more than usual
- increased cleaning of toilets and washrooms
- using social distancing to reduce contact and mixing between groups of children
- keeping children in the same bubbles they are in during the school day where possible, or otherwise in small, consistent groups
- keeping occupied spaces well ventilated
- promoting and engaging with the NHS Test and Trace process
- managing and reporting confirmed cases of coronavirus (COVID-19)
- containing any outbreak by following local health protection team advice

Ask providers about any practicalities you need to be aware of such as collection and drop-off times and whether your child should bring their own water bottle or food to the setting.
