

Sports Premium Funding 2020-21

At St. Luke's CE School, we aim to nurture our children, both academically and spiritually, in order to provide them with secure foundations for life-long learning. As pupils move through the school, we build upon these excellent foundations and aim to develop the children's resilience, a love of learning and a desire to achieve their full potential. In this way, we aim to ensure that our children are ready for secondary school and are on their journey to contributing to British society. At St. Luke's CE School, we have high aspirations and ambitions for our children and we are determined to ensure that our children are given every chance to realise their full potential.

How we use the PE and sport premium

- **To develop or add to the PE, physical activity and sport activities that your school already offers.**
- **To build capacity and capability within the school to ensure that improvements made now will benefit pupils joining the school in future years**

Schools can use the premium to secure improvements in the following indicators:

- *the engagement of all pupils in regular physical activity – the Chief Medical Officer guidelines recommend that all children and young people aged 5 to 18 engage in at least 60 minutes of physical activity a day, of which 30 minutes should be in school*
- *the profile of PE and sport is raised across the school as a tool for whole-school improvement*
- *increased confidence, knowledge and skills of all staff in teaching PE and sport*
- *broader experience of a range of sports and activities offered to all pupils*
- *increased participation in competitive sport*

Summary information January 2019			
School	St. Luke's Church of England School

The spending/impact of our PE and Sports Premium Funding in 2019-20

Use of Funding	Aim	Impact
Running track for sports day at Parliament Hill	Hire of venue for school sports day	Sports day couldn't take place off site due to COVID-19. Mini event held in school. This will continue next year
Sports day stickers/medals	To encourage ALL children to compete in a range of athletic activities	Mini event held in school. Children competed in house teams linked to our Christian values. KS1 and KS2 working collaboratively and displaying great sportsperson like qualities. This will continue next year
Rental of local swimming pool time and specialist coaches	Y3/4 have weekly swimming lessons for two terms	78.5% Y6 children can swim competently, confidently and proficiently over a distance of at least 25 metres 78.5% Y6 use a range of strokes effectively (e.g. front crawl, back crawl, breast stroke) 78.5% Y6 perform safe self-rescue in different water-based situations 21.5% Y6 children did not meet the above criteria and accounts for 3 children. (Of this group 1 child did not attend SLS during Y3/4 when swimming was taught) Swimming for Y3/4 was cancelled due to COVID-19. School to look at possible catch-up sessions next year. This will be adapted next year.
Overtime for staff to take children to sporting events	Children have access to play interschool sports matches	Cluster of schools now established and regular matches take place. PE lead looking to expand this year to other schools.

PE lead training	3 days release for PE network meetings 3 release days to support school staff in delivering PE	PE lead found network meetings useful and used links to add cluster schools to our league to compete in interschool sports. After March meetings moved online. This will continue next year.
Multi-sports club KS1	Subsidise clubs to ensure wider opportunities with specialist coaches are possible.	Club now established and KS1 and EYFS children attend regularly. Specialist coach offers a range of sports and activities. Clubs cancelled during after March due to COVID-19. This will continue next year.
Gymnastics club KS2	Subsidise clubs to ensure wider opportunities with specialist coaches are possible.	Gymnastic club continues to be successful and have now used two assembly times to share their skills and routines with parents and the rest of the school. Clubs cancelled during after March due to COVID-19. This will continue next year.
New sports equipment	To raise the profile of PE, school sports and physical activity within the whole school community	Equipment bought in with support from multi-sports club leader. Range of equipment for ball games and for athletics now in use.
New playground equipment and shed	To enable pupils to have appropriate equipment to play with within the curriculum and at playtimes	Extra playtime equipment bought in especially after lockdown to ensure children didn't have to share equipment. This will continue next year.
Specialist Sports coaches	To support class teachers and teaching assistants to deliver high quality PE lessons and to run lunchtime sports for KS2.	TA and teachers benefit from specialist sports coach. PE lead worked alongside coach to help develop athletics in summer term and to organise sports day. New company used this year and quality of coaching services vastly improved. This will continue next year.
Reception outdoor equipment	To allow children to build up their core strength and improve balance	New equipment purchased especially after lockdown to ensure children didn't have to share equipment. New Reception teacher continuing to develop outdoor provision for children. This will continue next year.
