

St Luke's Church of England School Newsletter

17th September 2021

Message from Summer Class

This afternoon Ms Iwanicki was working in Summer Class and did not have time to write the newsletter. So Summer Class wrote it for her. There are some more letters at the end of this newsletter.

Dear Parents and Carers,

This week the new Reception children started school. They were very happy and smiling. On Tuesday we went to church for our start of term service. Thank you parents for coming. The school is really excited to have assemblies in the hall.

Wishing you all a restful weekend,

From Summer Class

1 Corinthians 13:4-5 Love is patient, love is kind. It does not envy, it does not boast, it is not proud. 5 It does not dishonour others, it is not self-seeking, it is not easily angered, it keeps no record of wrong

Spring Class

This week we welcomed our new Spring class to St Luke's CE School. The children enjoyed exploring the classroom and the outdoor area. They particularly enjoyed playing in the sandpit and going down the slide. All the teachers are very impressed with how well they have all settled in. Well done Spring class!

Summer Class

This week in summer class we have been reading the story 'Not Now Bernard', and we have been sequencing the story and learning how to write questions and statements. In Mathematics we have continued on with place value and have been ordering and making numbers. In Topic we learned about the amazing work Mary Seacole did helping the soldiers. In R.E. we started learning about the Creation Story.

Autumn Class

This week Autumn Class have been rock detectives, making observations of different types of rocks, as part of their science topic. In English, we have been role playing one of Aesop's fables and recording our dialogue using speech marks. In maths, we have had fun playing different place value games.

Winter Class

This week in Winter Class, we started to design and build our own Anderson shelters which were built during the Blitz during World War Two to keep families safe. In English, we have been writing character description and acting out dialogue between characters. In Science, we created shadow puppets and investigated how to change the size and shape of shadows.

Golden Book

Spring Class

Aryan for coming into school with a positive attitude.

Zach for demonstrating his creativity during freestyle painting.

Summer Class

Henry for his wonderful reading of the prayer in our start of term service.

Elian for your wonderful effort in phonics this week.

Autumn Class

Saiyuri for her wonderful dialogue based on Aesop's Fable 'The Wolf and the Lamb'

Yara for her excellent questioning skills during guided reading.

Winter Class

Areliana for her fantastic construction of an Anderson shelter.

Mohamad for his excellent work on place value in Maths lessons.
