

St Luke's Church of England School Newsletter

Educating through faith, hope and love.

Message from Ms Iwanicki

Dear Parents and Carers,

Friday 22nd March

What a fun packed week we have had here at St Luke's. Our Year 6 children have been having a fantastic time down in Dorset on their residential trip and it was a delight to be able to visit them on Wednesday. We are extremely proud of how well they have worked together and supported each other throughout the week and I'm sure they are going to need a very early night tonight. We must also say a huge thank you to Mr Leng and Ms Casey for spending the week with the children and taking such great care of them.

Thank you to all the parents that were able to join us for Summer Class' assembly this week. The children treated us to some lovely songs and spoke their lines beautifully. Thank you also to Ms Akthar and Ms Heaney for putting it all together.

Year 5 have been working in a smaller group this week without their Year 6 classmates. Thank you to Ms Predko for looking after them so well.

Next week, we will be holding our Easter Service in church at 2:30pm on 27th March. Parents are very welcome to join us. Easter bonnets can also be worn in school on the Wednesday. You can find some simple ideas at <https://www.madeformums.com/toddler-and-preschool/5-easy-last-minute-easter-bonnets/>

Today, your child brought home an Easter Quiz sheet. Everyone who returns their quiz sheet on Wednesday 27th will get a treat from the PFA. There will also be a bucket on the door that morning if you would like to make a small donation to help support the PFA.

Please don't forget, we break up for the holidays at **1:30pm on Thursday** and we kindly request any illnesses on the last and first week of term have a doctor's note to confirm.

Wishing you a restful weekend,

Ms J Iwanicki
Headteacher

Psalm 4:8 In peace I will lie down and sleep, for you alone, Lord, make me dwell in safety.

Spring Class

This week Spring Class had their trip to Kew Gardens. It was great to see the Spring flowers and blossom, and the class loved playing in the Children's Garden. Even though it was tiring, it was really good to get out of the classroom and experience the beginning of Spring in such a beautiful setting. Back at school the children have been working really hard to learn poems and songs for our class assembly next week.

Summer Class

This week in Summer Class, we spent the early part of our week preparing for our assembly. The children did a fantastic job learning their lines and performing their songs. We had an exciting time sharing our learning and we hope our performance was enjoyed by everyone. In Maths, we are learning about 3-D shapes and looking at their properties. Today, some children went on a 'shape hunt' to see what shapes they could spot around the school.

Autumn Class

This week in Autumn Class, the children delved into new fiction texts written by the author Antinuke. These narratives, filled with stories within stories, ignited their imaginations and sparked engaging discussions. In Mathematics, our focus has been on timekeeping, confidently reading and interpreting both digital and analogue clocks. PE sessions with Coach Jasmine continued to be a highlight, as the class enthusiastically participated in cricket. Additionally, our budding artists have been immersed in the world of contemporary art, drawing inspiration from the works of Michael Brennand-Wood.

Winter Class

Our Year 6 children have been having great fun at their residential trip to PGL in Osmington Bay. Our Year 5 children have been working extremely hard in a small group this week with lots of different adults teaching them. With Ms Predko they learned English and Maths in the mornings. With Mrs Wickham they wrote prayers for our Easter service and interviewed Rev. Laing from Emmanuel Church about Holy Week. With Ms Iwanicki the children learned how to sew a running stitch and a cross stitch in preparation for making their own book marks.

Golden Book

Spring Class

Laisha for very enthusiastic practice for our assembly.

Klea excellent ideas and effort on her creative work.

Summer Class

Akinola for collaboratively working with his partner.

Zach for his great effort in Maths this week.

Autumn Class

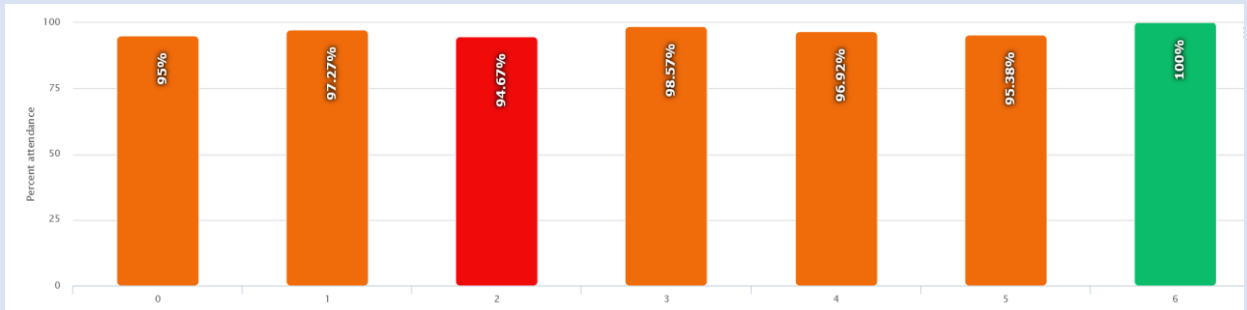

Sam for his enthusiasm and contributions during Maths lessons.

Emilliana for her effort and team work during PE this week.

Winter Class

All of Year 5 for working so well this week with every teacher they have had.
