

Sports Premium Funding 2025-26

St Luke's Church of England School is a school for the whole community. Our vision has Jesus' promise "I came to give life—life in all its fullness" at its heart (John 10:10). We believe that all children deserve an education of the highest quality in order to flourish and enjoy a life filled with meaning and purpose. Our children combine a care for others with a love for learning, and an appreciation of the importance of spiritual, mental and physical well-being. We serve local children, parents and the community within the context of Christian belief and practice.

How we use the PE and sport premium

- To develop or add to the PE, physical activity and sport activities that your school already offers.
- To build capacity and capability within the school to ensure that improvements made now will benefit pupils joining the school in future years

Key indicators

- Increased confidence, knowledge and skills of all staff in teaching PE and sport
- Engagement of all pupils in regular physical activity
- The profile of PE and sport is raised across the school as a tool for whole school improvement
- Broader experience of a range of sports and physical activities offered to all pupils
- Increased participation in competitive sport

Examples of how these may be achieved include:

- *providing staff with professional development, mentoring, appropriate training and resources to help them teach PE and sport more effectively to all pupils and embed physical activity across your school*
- *embedding physical activity into the school day through encouraging active travel to and from school, active break times and holding active lessons and teaching*
- *providing targeted activities or support to involve and encourage the least active children*
- *raising attainment in primary school swimming to meet requirements of the national curriculum before the end of key stage 2 - every child should leave primary school able to swim*

Summary information			
School	St. Luke's Church of England School		
Academic Year	2025-26	Total PE and Sports premium budget	£16,790

Proposed PE and Sports Premium Spend for 2025-26

Expert coaches to provide continued professional development (CPD) for all staff	To increase all staff's confidence, knowledge and skills in teaching PE and sporting activities	£6930

The spending/impact of our PE and Sports Premium Funding in 2024-25

Use of Funding	Aim	Impact
Hire of running track to hold inter-house competitions to encourage participation	To raise the profile of PE and sport across the school, to support whole school improvement	Sports Day took place at Parliament Hill running track. All children R-Year 6, including SEND and disadvantaged groups, were able to access all sporting activities. This will continue next year

Sports day equipment	To increase all pupils' engagement in physical activity and raise the profile of sport across the school and enable children to take part in inter-house competitions	Children competed in house teams linked to our Christian values. All children R-Year 6, including SEND and disadvantaged groups, worked collaboratively and displayed great sporting attitudes. All children received a medal. This will continue next year.
To provide specialist support to help children with additional needs to access and participate fully in swimming lessons and provide continued professional development for staff	To increase all staff's confidence, knowledge and skills in teaching swimming and life-saving activities and ensure equal access for children with SEND	Teachers were able to observe high quality activities being taught to a range of swimming competencies and were able to observe and discuss with specialist coaches the adaptations for pupils with a range of SEND needs. This will continue next year.
Staff costs to enable children to enter local sports competitions	To ensure that children have access to play interschool sports matches and have a broader and more equal experience of a range of sports and physical activities to all pupils, and ensure equal access to sport for boys and girls	Sports matches were arranged with local schools throughout 2024-25. Children were accompanied to the matches, and supervised whilst there, by school teaching staff. A range of children from Years 5 and 6 competed in mixed-gender and mixed ability inter-school matches during the course of the year. This will continue next year.
Provide continued professional development (CPD) for PE Lead	To provide appropriate training to ensure the quality of the teaching of high-quality PE, sport and physical activity in a school is sustainable.	PE Lead was able to observe and monitor the planning, teaching and learning of PE across the school, and to use this information to devise and deliver CPD on PE knowledge and skills for teaching staff to closely match their needs. Our Healthy School Accreditation was maintained for 2024-25. As our Healthy School Status expires in September 2025, the process for a new application will begin 2025-26.
To provide extra-curricular opportunities for children to enable them to access other sporting activities or specialist sport instruction	Offer extra-curricular sporting activities to make sure all children can achieve and thrive through increased physical activity and sport, no matter their background or ability	2 x weekly after-school Multisports clubs were run for children R-Y4 and Y5-6 led by a specialized sports coach within mixed-gender and mixed ability groups, including children with SEND needs. Children experienced a wide range of indoor and outdoor sports and activities. The club will continue next year.
Additional sports equipment	To add to the PE, sport and physical activity that the school provides	Equipment has been bought in with support from multi-sports club leader. A range of durable equipment for ball games and athletics is now in use in PE lessons and Clubs. This will continue next year.
Additional equipment for physical activity during lunch times and break times	To provide targeted activities or support to involve and encourage the least active children and help to provide equal access for all pupils to the range of sports and physical activities that the school offers	A variety of durable equipment bought in to be used for organised games at playtimes to ensure that all children regardless of gender or ability can enjoy an active playtime, including disadvantaged and those with SEND. This will continue next year.

Expert coaches to provide continued professional development (CPD) for all staff	To increase all staff's confidence, knowledge and skills in teaching PE and sporting activities	Specialist coaches work alongside teaching staff to deliver high quality PE lessons. PE Lead has been able to continue to work alongside specialized coach to help develop athletics in summer term and to organise sports day. This will continue next year.
